

Brown Bag: EE Action Plan

When: Thursday Aug. 4 2016

Time: 12:00 pm – 1:00 pm PDT

With the release of the 7th Power Plan, BPA is working to update our EE Action Plan. The EE Action Plan is the document BPA develops to guide how we achieves our goals in energy efficiency. The plan describes the strategies we will pursue to meet our goals, including programmatic, customer-focused strategies, emerging technology, momentum savings, and demand response.

During this brown bag we will discuss our initial projections for savings and cost and provide a timeline for completion and public comment.
