

Brown Bag: UES Measure List Simplification Proposal

Proposed changes and opportunities to comment

When: Wednesday May 27, 2015

Time: 12:00 pm – 1:00 pm PDT

BPA is working to simplify our UES measure list to improve its usability for our customers. Before we make any changes to this important tool we are seeking customer input to ensure we do not change or remove information that is necessary for customer operations, or otherwise cause unintended difficulties for customers who use this document to support their own internal systems.

To kick-off this process we will have a webinar on May 27 to discuss the changes we are considering. Following that webinar we will be providing a detailed list of proposed changes for customer input.
