

Brown Bag: UES Measure List

When: September 8, 2016

Time: 12:00 p.m. – 1:00 p.m. PST

Presentation and Discussion:

Do you need help navigating through changes to the new measure list? Help is on the way. There are significant changes to the UES measure list which is now published and effective on October 1st. While the column structure and naming convention has not changed, there are many changes to key characteristics, measure structure, savings, and cost effectiveness metrics. On September 8th at 12 PM BPA will be hosting a Measure List Brown Bag to summarize all the changes to the measure list and answer your questions.
