

## Brownbag: The Future of Residential HVAC

**When:** Tues., March 15, 2016

**Time:** 12:00 – 1:00 p.m. PST

**Presentation and Discussion:**

The 7th Power Plan confirms that HVAC should continue to be a priority area of focus. Bring your lunch and join the Residential HVAC team to hear about how the program is:

- Using Quality Assurance inspections to inform the future of our program design
- Improving our feedback mechanisms with participating PTCS technicians
- Leveraging data from Momentum Savings Market Research to scope opportunities with contractors and distributors
- Collaborating with the Commercial HVAC team's Air Northwest

**Presenters:**

Sarah Moore, Residential Sector Lead

Jessica Kramer, Residential Senior Program Support

Michelle Lichtenfels, Commercial Program Manager
