The Washington State Auditor Office (SAO) has agreed to meet in Portland on the afternoon of Monday, April 20th, to present their most recent conservation-related audit results. The SAO will provide feedback on both the target setting methodology and the energy conservation achievement. They have not been asked to prepare any comments related to renewables.

For information on the meeting, please contact Mike Little, Seattle City Light, at Michael.Little@seattle.gov

Although this is not specifically a BPA meeting, BPA has offered to provide space to gather. For security reasons, individuals attending the meeting will need to RSVP with Margaret Lewis (BPA) to obtain security clearance no later than Wednesday, April 15. Please email her at mllewis@bpa.gov with your name, company and country of citizenship.
