

## NOTICE: Gas Station Canopy Promotion Terms & Conditions Update

### Effective Immediately

The BPA Lighting Team has an update to the Terms & Conditions of the Gas Station Canopy Promotion: **LED tubes, in any form, are not eligible.**

This change has been added to the Terms & Conditions [here](#).

If anyone is wondering, this photo of a local gas station played a large role in the decision. Ouch!

As a reminder for those who would like to participate, please send a blank copy of your lighting calculator template to [lighting@bpa.gov](mailto:lighting@bpa.gov) and also indicate if you would like to increase the project cost cap to 100%. Also, if you send a high-*ish* resolution version of your utility logo, we can customize the marketing materials for you as well.
