

# BPA Energy Efficiency Weekly Announcements, September 26, 2013

## Events

### **Brown Bag: October 1, 2013 Implementation Manual Updates -**

This Brown Bag will be held on September 26, 2013, 12:00 pm - 1:30 pm. The October 1, 2013 Implementation Manual contains a number of changes to BPA's energy efficiency programs. To ensure that these changes are well understood and to offer our customers a chance to pose their questions to the BPA programs team, BPA will be hosting a Brownbag webinar to provide details on the changes taking place and ensure customers have an opportunity to seek clarification from BPA's sector leads and program managers... ### **Brown Bag: Lighting Calculator 3.0 -**

To introduce Lighting Calculator 3.0, the BPA lighting team is hosting an informational brown bag webinar Wednesday October 2nd for utilities... [More](#)

## General

### **End of Year Updates and Reminders -**

In an effort to make the end of year close out process as smooth as possible BPA is providing a set of reminders, clarifications and updates our customers might find useful... [More](#)

### **Policy on Self Funded Savings Attribution -**

As a reminder, measures to be reimbursed with FY 12/13 EEI funds must be reported into IS2.0 by 10:00am on Sept. 30. BPA would like to clarify that this deadline is only applicable to EEI funded measures. Measures that are 100% self funded that have completion dates prior to Oct. 1, 2013 will be attributed to the FY 12/13 rate period regardless of when they are invoiced... [More](#)

## Reminders

### **BPA Lighting Calculator 3.0 to be released on October 1! (For Real) -**

After much ballyhoo and a few postponements the BPA Lighting Team plans to release Lighting Calculator 3.0 on October 1st. A utility brownbag webinar will follow October 2nd to provide an overview of the new platform. The lighting calculator will showcase a simplified user interface and increased options for utilities and trade allies...
