

BPA Energy Efficiency Weekly Announcements, April 30, 2015

Events

Continuing the Conversation from Efficiency Exchange -

We hope you enjoyed Efficiency Exchange and took home new ideas and inspiration to support your energy efficiency efforts. We had a record turnout this year with 500 in attendance. Let's keep the conversations going, both within your organizations and on Conduit with more distant colleagues!

We'll let you know once we've posted the recordings of the general sessions and the large breakout sessions. In the meantime, visit Conduit's [Efficiency Exchange Northwest tag](#) to see great conference-related content, including attendee coverage, photo galleries and more. As always, we encourage you to use Conduit as your regional online collaboration and learning tool. Ask questions and engage in discussion!

If you haven't filled out a conference evaluation yet, we still want your feedback. We take your comments and suggestions seriously, to help make the most of this conference for the region. Take the survey via the Efficiency Exchange app or by [clicking here](#).

Thank you to everyone who joined us in Portland. We hope to see you next year in Coeur D'Alene, April 26-28, 2016!

General

Get Conduit Ed - Do you Want to Know More About Emerging Technology?

At the Efficiency Exchange conference Conduit launched a brand new educational program called Conduit ED. This new web-based educational program provides the Conduit community a unique and interactive educational resource. Conduit ED: no costs, no tests, no limits. [Sign up](#) for the very first series on Emerging Technology, starting in May!

Reminders

Conservation Billing Credits - Deadline Extended -

During BPA's Energy Efficiency Post-2011 Review, customers expressed an interest in pursuing conservation activities that do not depend on funding through the Energy Efficiency Incentive. In response, BPA plans to offer conservation billing credits during the 2016 - 2017 Rate Period. Customers interested in Conservation Billing Credits should contact their EER soon. Contracts must be signed by May 29. More information [here](#).
