### **Save the date to attend the BPA Regional Baseline Library Stakeholder Feedback Session on August 18th -**

With summer now underway and vacations in the works, we ask you to please save the date for our upcoming Regional Baseline Library Stakeholder Feedback session, scheduled for the morning of August 18th, 2016 at BPA HQ. We plan to meet from 9:00 A.M- 12:00 P.M. to get utility and other stakeholder feedback on BPA's proposed approach for developing a regional baseline library. Desired attendees for this meeting include utility staff who manage CPAs, Council staff, NEEA planning staff, other interested stakeholders.

For additional information including full meeting details and other background information on this issue, visit <http://www.bpa.gov/goto/BaselineLibrary>. For questions contact Bonnie Watson at [bfwatson@bpa.gov](mailto:bfwatson@bpa.gov).

## General

### **EE Marketing Portal Updates -**

New marketing materials have been added to the EE Marketing Portal that allows users to customize marketing pieces with their contact information, messaging, and logo. One sheets for AirNW have been added that promote technologies like Heat Pumps, Advanced Rooftop Unit Controls, Connected Thermostats, and Ductless Heat Pumps. Materials for the Regional Strategy for Commercial Lighting have also been added including Guides to Energy Efficient Lighting Technologies for Commercial and Industrial businesses and Multifamily properties. For more information on the Marketing Portal and to visit the website visit [BPA Marketing Portal](#).

### **Vacancy on the Low Income Energy Efficiency Steering Committee -**

The [Low Income Energy Efficiency Workgroup](#) meets quarterly with the aim of sharing information and developing best practices in order to increase low income residents' access to and uptake of energy efficiency services across the Northwest. The workgroup is facilitated by BPA staff and a steering committee made up of utility and non-utility representatives, which helps guide the agenda. There is currently a vacant utility seat on the steering committee. Please contact [Summer Goodwin](#) by July 11, if you are interested in this opportunity. The workgroup meets quarterly and the steering committee meets by telephone approximately once a month by telephone.
