Events

Brown Bag: UES Measure List -

Join us on September 8 from 12:00 P.M. - 1:00 P.M. where we will be hosting a Measure List Brown Bag to summarize all the changes to the measure list and answer your questions. Do you need help navigating through changes to the new measure list? Help is on the way. There are significant changes to the UES measure list which is now published and effective on October 1st. While the column structure and naming convention has not changed, there are many changes to key characteristics, measure structure, savings, and cost effectiveness metrics...[More](#)

Brown Bag: Non-Residential Lighting Updates -

Join the BPA Lighting Team September 15 for an informative Brown Bag session covering: New Construction Lighting guidelines, Lighting Calculator updates, small business lighting promotion update, and a discussion on the next promotion...[More](#)

Save the Date: Low Income Energy Efficiency Workgroup October 6 -

Please join us for the next meeting of this regional workgroup to discuss and find ways to remove barriers to implementing low income energy efficiency. Participants can attend in person (Portland) or by telephone. The draft agenda is [here](#).

Save the Date: BPA Utility Round Tables -

The recent Efficiency Exchange offered an excellent opportunity to interact in person, but smaller regional gatherings provide a unique chance to discuss more localized issues. To help bolster this effort BPA is organizing a series of regional utility round tables to be conducted in the later summer and early fall in five different Northwest regions. Each meeting will feature informative presentations and provide an open forum for discussions on program development.

Specific agendas and schedules for these round tables are still being finalized: you can expect more details to follow. If you have questions about these meetings or suggestions for content, please contact your Energy Efficiency Representative (EER)....[More](#)

General

UES Measure List Feedback Deadline is September 9th -

BPA has received feedback on the [UES Measure List](#) since its release on August 22nd and will release another version of the UES Measure List on September 16th to address items requested by stakeholders. BPA will consider implementing any requested changes to the measure list in the next and final version. Please send any requested changes to the measure list to your Energy Efficiency Representative no later than Friday September 9th.

Reminders

October 2016-2017 Implementation Manual Now Online -

The BPA October 2016-2017 annual Implementation Manual is now posted online [here](#). The measures and specifications in this document are effective Oct. 1, 2016. Until then please follow the current October 2015-2016 Implementation Manual.

Also online is the new [version 5.0 UES Measures List](#) posted to the [Interim Solutions 2.0 Files](#) page and updated Qualified Products Lists and Measure Specifications in the [IM Document Library](#). If you have any questions, please contact your Energy Efficiency Representative (EER).
