

BPA Energy Efficiency Residential Water Heating Offerings Summary 2020-2021 BPA Implementation Manual

Note that BPA customer utility offerings and incentive amounts may vary from the BPA payment. Please contact the appropriate local Northwest utility to confirm availability and amount of incentives. The BPA Implementation Manual and UES Measures List provides BPA utility requirements, specifications, and documentation for energy efficiency projects and activities reported to BPA. These documents shall take precedence over the Commercial Offerings Summary if any descriptions are contradictory. For a full description of the BPA Implementation Manual and details of UES Measure list, please refer to the Policy & Reporting section of the following site: <https://www.bpa.gov/ee/>
