Re: Southern Intertie long-term value shift

I would like to thank Bonneville and its staff for allowing me this opportunity to comment on the Southern Intertie long-term value shift discussed at the BP-16 Pre-Rate Workshop.

Benton PUD supports the meeting participants request to schedule a separate meeting to discuss a proposed Southern Intertie value shift benefitting California customers to understand implications of the discussed value shift and its impact on BPA.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Johnson", with a stylized flourish extending to the right.

Chris Johnson
