Subject: FW: Franklin PUD Question - Action Needed Before 1:00 PM

EXTERNAL: Think Before You Click!

Hi Rich and Brian,

I'm hoping one of you can give me a quick answer to a question our rates team is working on.

Can you please confirm that Franklin continues to exclude the reservation with SDD when they consolidate reservations to redirect? We need to confirm the following statement...

'Some customers have changed their business practices to maintain their SDD benefit. For example, in past actions Franklin PUD would sometimes consolidate reservations to redirect for the purpose of reselling, which could include reservations that qualify for SDD. In order to not lose their SDD, Franklin changed this practice and started to exclude reservations that qualify for SDD for the consolidation of reservations to redirect.'

Please let me know if you can help.

Thanks,

Jen
