TC-22, BP-22 & EIM Phase III Workshop Schedule

Presentation materials and meeting details for the TC-22, BP-22 & EIM Phase III workshops will be posted on the BP-22 and TC-22 Meetings and Workshops page.

All workshops listed will be held in the Rates Hearing Room with a phone bridge and WebEx as available options for participants to join remotely. Dates and topics are subject to change, but BPA will share updated information as early as possible.

Meeting updates will be announced via Tech Forum. For the most up-to-date calendar of events, please visit the BPA Event Calendar.
