

I-5 Corridor Reinforcement Project

February 2013

Draft EIS comment period extended to March 25, 2013

In consideration of requests from the public, the Bonneville Power Administration is extending the comment deadline on the Draft Environmental Impact Statement for the I-5 Corridor Reinforcement Project from March 1 to noon on March 25, 2013. BPA released the Draft EIS and preferred route alternative for the project for public review and comment on November 13, 2012.

The draft EIS can be accessed on the project website: www.bpa.gov/go/i5. A CD copy was sent to everyone on the project mailing list in November. The full document is nearly 2,000 pages. To save paper and reduce costs, limited copies have been printed. Copies can be viewed at multiple community locations listed on the website. If you are unable to access the document via the Internet, you may request that a CD or print copy be mailed to you by calling the automated phone line at 800-230-6593.

How to comment:

Online: www.bpa.gov/goto/i5

Email: I-5@bpa.gov

Write: I-5 Corridor Reinforcement Project
P.O. Box 9250
Portland, OR 97207

Phone: 800-230-6593 (voicemail)

Fax: 888-315-4503

[Deadline extended to March 25, 2013]
