NEPA Disclosure Forms

**NEPA Disclosure Statement for Preparation of an EIS for the Proposed
I-5 Corridor Reinforcement Project**

CEQ regulations at 40 CFR 1506.5(c), which have been adopted by DOE (10 CFR 1021), require contractors who will prepare an EIS to execute a disclosure specifying that they have no financial or other interest in the outcome of the project. The term "financial interest or other interest in the outcome of the project," for the purposes of this disclosure, is defined in the March 23, 1981 guidance entitled "Forty Most Asked Questions Concerning CEQ's National Environmental Policy Act Regulations," 46 FR 18026-180338 at Question 17a and b.

Financial or other interest in the outcome of the project "includes" any financial benefit such as a promise of future construction or design work in the project, as well as indirect benefits the contractor is aware of (e.g., if the project would aid proposals sponsored by the firm's other clients), 46 FR 18026-180338 at 18301.

In accordance with these requirements, the offerer and the proposed subcontractors hereby certify as follows: [check either (a) or (b)].

- (a) Offerer and any proposed subcontractor have no financial interest in the outcome of the project.
- (b) Offerer and any proposed subcontractor have the following financial or other interest in the outcome of the project and hereby agree to divest themselves of such interest prior to the award of the contract.
