

Map Legend

	Qa Geologic Units; See Table 1 for Unit Descriptions
	Glacial Outwash & Ice Contact Deposits
	Till
	Bedrock
<i>Faulted and Folded Geologic Structures</i>	
	Approximate Location
	Concealed; Queried where inferred
	Existing Substations
	Proposed Transmission Lines
	Existing Transmission Lines
	River / Stream
	Interstate System Roadway
	State Route
	Paved Road or Improved Gravel Road
	Unimproved Gravel Road
	Contour with elevation; 40 ft intervals
	24 Section Number

Scale in Feet

0 1000 2000

Note:

1. Geologic units adapted from Frizzell et al, 1984
2. Faults and Folds adapted from Phillips, 1984 and Walsh, 1984

Matchline 2 of 3
Cedar River Municipal Watershed

Matchline 2 of 3

Bonneville Power Administration
Kangley-Echo Lake
Transmission Project
