Dear Interested Public:

This courtesy letter provides a Notice of Internet Availability that the Bureau of Land Management (BLM), Jordan/Malheur Resource Area has completed a Finding of No Significant Impact (FONSI) and Decision Record (DR) for the Jonesboro Diversion Dam Replacement Project Environmental Assessment (DOI-BLM-OR-V040-2013-007-EA). The BLM proposes to authorize a right of way (ROW) to the Burns Paiute Tribe for replacement of and installation of a fish passage structure in an existing diversion dam. The ROW will also authorize access to the surrounding area for irrigated lands from the dam. The proposed action will be implemented in accordance with and subject to the guiding land use plan - the Southeastern Oregon Resource Management Plan and Final EIS.

These documents can be reviewed on the Vale District website at the following location:
<http://www.blm.gov/or/districts/vale/plans/index.php>. The project name is Jonesboro Dam Replacement Project.
