To: People Interested in the Stateline Wind Project

FPL Energy, LLC, is proposing to build a new wind energy facility in Walla Walla County, Washington, and Umatilla County, Oregon, that could affect you. This letter briefly explains what is being proposed and which agencies are involved. (See attached fact sheet.) It also invites you to meetings where you can learn more and tells where to call for more information. Because we are just starting this project we need your ideas. Tell us what we need to study to make a good decision on this project. Our last day for comment is July 7, 2000.

Public Meetings

Three public meetings are planned. All are informal open house style meetings, so come anytime when it is convenient for you. We will give a brief presentation at 7:30 p.m. at both the Helix and Touchet meetings.

Wednesday, June 14, 2000
6:30 p.m. to 9:00 p.m.
Helix High School
Multipurpose Room
120 Main Street, Helix, Oregon

Thursday, June 15, 2000
6:30 p.m. to 9:00 p.m.
Touchet High School
90 Champion Street
Touchet, Washington

Thursday, June 22, 2000
1:00 p.m. to 3:00 p.m.
Bonneville Power Administration
Room 470, 905 NE 11th Avenue
Portland, Oregon

Staff from FPL Energy, Bonneville Power Administration, Walla Walla County and the Oregon Office of Energy will be available to answer questions about the proposal and the process they will use to make a decision on it. They will also be seeking ideas from you about what they should include in an analysis of the project.
