To: People Interested in the Tanner Electric Transmission Line Project

Bonneville Power Administration (Bonneville) has completed the Environmental Assessment (EA) of the Tanner Electric Transmission Line Project. Based on that analysis, Bonneville has made a Finding of No Significant Impact. The FONSI is included in the Final EA which is enclosed.

Next Steps

Bonneville will use the EA and FONSI to decide whether to proceed with this project. A decision will be made soon. We will let you know when a decision has been made.

For More Copies

The EA and FONSI are available on our web site at: www.efw.bpa.gov. To receive another printed copy, you may call our toll-free document request line at 1-800-622-4520 and leave a message naming this project and your complete mailing address.

For More Information

In the meantime, if you need more information about the project, please call me toll-free at 1-800-282-3713.

Thank you for your interest in our work. Your many comments and suggestions over the past year have been greatly appreciated.

Sincerely,

/s/ Kirk Robinson
