**RE: FOIA #BPA-2011-00121-F**

Dear Mr. van Dijk:

This is a final response to your request for information that you made to the Bonneville Power Administration (BPA), under the Freedom of Information Act (FOIA), 5 U.S.C. 552.

**Request:**

“A copy of the mean 15 minute load for the months of July and December 2009 for the following transmission lines. 500KV lines that goes between Ostrander and Troutdale 115KV line that goes between Troutdale and Sifton.”

**Response:**

BPA has provided a CD-ROM containing “...the mean 15 minute load for the months of July and December 2009 for the 500KV (sic) line that goes between Ostrander and Troutdale...” in response to your FOIA request dated October 22, 2010.

You made an additional request for data pertaining to the “...115KV line that goes between Troutdale and Sifton...”. Troutdale does not have a 115kV yard and there is no Sifton-Troutdale 115kV line. Therefore, BPA has no responsive records to this part of your request.

I appreciate the opportunity to assist you. Please contact our office at (503) 230-7303, with any questions regarding this letter.

Sincerely,
