Dear Ms. Chapman:

Thank you for your request for information that you made to the Bonneville Power Administration (BPA) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. Your letter was received in this office on Thursday, January 20, 2011, and has been assigned a control number, BPA-2011-00503-F. Please use this number in any correspondence with the Agency about your request.

**You have requested the following:**

A copy of the latest revision of plan and profile drawings serial numbered 2137 and 2178 of the Vancouver-Kelso line operated as Ross-Lexington No. 1 showing transmission towers and lines crossing over BPA right-of-way tract VK-22 a.k.a. V-K-2-A-22; or those which have superseded them; together with similar drawings of latest preliminary design of proposed 500 KV crossing the above reference tract.

We have reviewed your letter and have determined that it addresses all the criteria of a proper request under the FOIA and the DOE regulation that implements the FOIA at Title 10, Code of Federal Regulations, Part 1004. You have agreed to pay up to \$50.00 in charges related to the FOIA.

Mr. Mark Korsness, Civil Engineer, has been designated as the Authorizing Official for your request. Mr. Korsness has twenty (20) working-days to respond to your request. A due date for your response is Friday, February 18, 2011.

I appreciate the opportunity to assist you. Please contact Laura M. Atterbury, FOIA/Privacy Act Specialist at (503) 230-7305, with any questions about this letter.

Sincerely,
