**Email:** bmcbee@bentekenergy.com

**Description of Request:** Hello, I am seeking data associated with hourly load, thermal generation, wind generation and hydro generation in BPA region (in MWh). I would like for this data to span between 1/1/2007 and 12/31/2010 on an hourly timeframe. This data can be summed to a total output variable (i.e. total wind generation in 1 hour), similar to the data that is reported on this website (<http://transmission.bpa.gov/Business/Operations/Wind/baltwg.aspx>). While being used by a commercial institution, the data will be part of a non-commercial report on the integration of wind generation assets in BPA. I am affiliated with a private corporation and am seeking information for use in the company's business. This information is requested under the Freedom of Information Act. I am willing to pay fees for this request up to a maximum of \$ 50. If the costs associated with this request exceed \$50 please contact me.

**Preferred format:** .xls, .xlsx, .csv

**Type of Requester:** Business

Please **Limit** my fees to **50**  
I request a **fee Waiver**

**I request a waiver or reduction of fees because my request concerns "the operations or activities of the government" as explained below:**

*The data will only be used to understand the integration and use of wind generation within BPA.*

**I request a waiver or reduction of fees because an understanding by the general public of the subject is likely to result from disclosure, taking into account my ability and intent to disseminate the information to the public in a form that can further understanding of the subject matter as explained below:**

*The report which is compiled from this information will be released to the public in order to further the understanding of wind integration.*

**If denied** a waiver or reduction, I Agree to pay up to
