RE: FOIA #BPA-2011-00834-F

Dear Mr. McBee:

This is a final response to your request for records that you made to the Bonneville Power Administration (BPA) under the Freedom of Information Act (FOIA), 5 U.S.C. 552.

You have requested the following:

"Data associated with hourly load, thermal generation, wind generation and hydro generation in the BPA region (in MWh). I would like for this data to span between 1/1/2007 and 12/31/2010 on an hourly timeli-ame. This data can be summed to a total output variable (i.e., total wind generation in 1 hour)."

Response:

The data you are seeking can be accessed on the BPA website at: <http://transmission.bpa.gov/business/operations/Wind/default.aspx> ; items seven and eight on the menu. The wind generation base point only has history back to 5/9/2008, and is available on the 2008 yearly summary in item six.

I appreciate the opportunity to assist you. Please contact Cheri Benson, FOIA/Privacy Act Specialist at (503)230-7305 with any questions about this letter.

Sincerely,

/s/ Christina J. Munro
