FOIA REQUEST

RECEIVED BY BPA FOIA OFFICE THIS DATE: 4/11/11
DUE DATE: 5/9/11
LOG # BPA-2011-00937-F

Dear Ms. Brennon:

Pursuant to the Freedom of Information Act, the Department would like to request the installed/booked, or invested cost accounting information as it relates to BPA's transmission line system. Specifically we would like to acquire the booked or installed cost information for the BPA's transmission lines that are leased to investor owned utility companies. We have sought this information on a Montana basis in the past, but are seeking it on a BPA-wide basis this year.

The Investor owned utility companies that we would like the information for are:

Puget Sound Energy, Portland General Electric, PacifiCorp, Avista Corp., PPL Montana, and NorthWestern Energy Corp.

And again, the cost accounting information should be for all transmission property leased by the utility company.

The Department will pay for any reasonable charges associated with the production of this information.

Thank you for your continued assistance and cooperation. Please contact me at (406) 444-2569, if you have any questions.

Sincerely,

Kory Hofland, Unit Manager
