Cheri L. Benson, FOIA Specialist:

Under the Public Records Act we request access and copies of **unclaimed or outstanding checks** for the past five years, including dates, names, last addresses and amounts due the payees. (Generally these are vendor checks which haven't been cashed within 6 months.)

We also request access and copies of all **unclaimed municipal bonds**, including the dates, names, last addresses, and amounts due the bondholders. (These are investment bonds citizens purchased to support your Agency. Because bonds take many years to mature, people sometimes forget about them.)

We are only interested in amounts \$10,000 or over and ones issued by your office (**not ones that have escheated to the state unclaimed property office**). It helps us all if your records have been reconciled to insure that none of the items have subsequently been reissued.

Our intent is to locate the rightful owners and assist them in claiming their money. Our firm has been in business over 28 years. We continue our mission of helping agencies, like yours, clear unclaimed items off their books, which is a good accounting practice, and help citizens recover their lost assets.

We are willing to pay reasonable costs. Please give us an estimate of the cost before beginning the work.

We appreciate a reply within 10 working days as provided for in the law. You may also respond via e-mail at MazelEq@aol.com.

Thank you.

Sincerely,
