Kim:

Based on our phone conversation today, I want to limit my FOIA request to the master agreement with DesignTech and all electronic amendments (e.g., releases) since January 1, 2011.

Please give me a fee estimate for this narrowed down request.

Thank you.

Dan

Dan, The fee estimate from Contracting on the Design Tech contract request is \$560. The contract is eight years long with 327 releases. The records are over half in storage boxes hard-copy. Plus the review time for Paul's application of Exemption 4.

Also, this large of an external review would be very lengthy.

Let me know how you what to proceed.

Kim
