FOIA #BPA-2013-00247-F

Dear Mr. Weber:

Thank you for your request for records that you made to the Bonneville Power Administration (BPA), under the Freedom of Information Act (FOIA), 5 U.S.C. 552. Your request was received in this office on Friday, November 30, 2012, and has been assigned a control number, BPA-2013-00247-F. Please use this number in any correspondence with the Agency about your request.

You have requested the following:

A copy of the latest version of BPA's software program ATADS; including the software documentation and source code.

We have reviewed your request and have determined that, except for your agreement to pay fees associated with the request, it addresses all of the criteria of a proper request under the FOIA, DOE, and BPA regulation that implements the FOIA at Title 10, Code of Federal Regulations, Part 1004.

BPA has twenty (20) working days to respond to your request; however, until the issue of fees can be agreed on, the request has been placed in a hold status. I have asked the Authorizing Official for this request, David Hesse, to provide an estimate of fees. I will contact you as soon as the estimate is available.

I appreciate the opportunity to assist you. Please contact Kim Winn, Communications Specialist, at 503-230-5273 with any questions about this letter.

Sincerely,

For/s/Kim Winn
