Subject: RE: Corona and Field Effects Program V3 - Request from Canada

No problem. I'll just use your email as your request. There will not be fees associated with this request anyway as I have the software from a previous request. I will have it in the mail to you by Friday, 1-4-13.

I will ask my webmaster to correct the form for the future.

Thank you.

Hello Kim,

I am unable to use the Request form on the Website as it asks us for the State and Zip Code. This is not applicable to us as we are based in Canada. Please advise.

Sir, Thank you for your interest in the Bonneville Power Administration. You can submit a FOIA request. Here is the link to do so: <http://www.bpa.gov/news/FOIA/Pages/default.aspx>

Subject: Corona and Field Effects Program V3 - Request from Canada

Hello Kim,

I have been trying to get hold of a copy of the BPA Corona and Field Effects Software to perform some simulations on induced electric fields. Since, the Company I work for (Online Engineering Inc.) is based in Canada, would submitting an FOIA request for a copy of this software apply to me or is there another procedure involved to get a copy of this application?
