Dear Ms. Munro:

Pursuant to the Freedom of Information Act, I request that you provide me with a copy of any and all documents, including electronic documents, regarding the Port-Angeles-Juan de Fuca Transmission (or Sea Breeze) Project, which is described at <http://www.jdfcable.com/downloads/11-04-08-JdF-project-update.pdf>. Att. A. I understand that Sea Breeze Olympic Converter LP ("Sea Breeze") proposes to construct an international electric power transmission cable that would extend from British Columbia, Canada, across the Strait of Juan de Fuca to Port Angeles, Washington.

I am willing to incur search and copying expenses for this request up to and including \$500.00. Should search and copying expenses exceed this amount, please provide an estimate of those expenses. Thank you for your prompt consideration of this request. If you have any questions, please do not hesitate to contact me at leonardo.giacchino@solutionseconomics.com or (202) 525-1352 x100.
