FOIA #BPA-2013-01064-F

Dear Mr. Long:

This is the final response to your request for records that you made to the Bonneville Power Administration (BPA), under the Freedom of Information Act (FOIA), 5 U.S.C. 552.

You requested the following:

BPA's certification under CARB's cap and trade.

Response:

The enclosed email is redacted in part as non-responsive. However, the certification by CARB is released in its entirety.

California Air Resources Board states that BPA's asset controlling status (ACS) is evidenced by the fact that an ACS system emission factor is posted for BPA on the ARB website at http://www.arb.ca.gov/cc/reporting/ghg-rep/ghg-rep-power/acs-power.htm#acs_use.

Pursuant to 10 CFR 1004.8, if you are dissatisfied with this determination, or the adequacy of the search, you may appeal this FOIA response in writing within 30 calendar days of receipt of a final response letter. The appeal should be made to the Director, Office of Hearings and Appeals, HG-1, Department of Energy, 1000 Independence Avenue, SW, Washington, DC 20585-1615. The written appeal, including the envelope, must clearly indicate that a FOIA Appeal is being made.

You agreed to pay all fees associated with this request. The total fees due are \$52.39. You will be billed separately.

Please contact Kim Winn, FOIA Specialist, at 503-230-5273 with any questions about this letter.

Sincerely,

/s/Christina J. Munro
