Dear Mr. Silberstein:

Thank you for the request that you made to the Bonneville Power Administration (BPA) under the Freedom of Information Act (FOIA), 5 U.S.C. §552. Your request was received in this office on Thursday, May 16, 2013, and has been assigned a control number, BPA-2013-01066-F. Please use this number in any correspondence with the Agency about your request.

**You requested the following:**

The date and time of an email communication between Launie O'Leary and Judy Rush, and the date and time of the original request from the BPA EEO office to the BPA Talent Acquisition office for the crediting plan referenced in the email.

**Response:**

We have reviewed your request and have determined that it does not meet the criteria of a proper FOIA request under 5 U.S.C. §552. The requirement under the FOIA is to provide the public with government documents, it is not the function of the FOIA to answer questions.

Pursuant to 10 CFR 1004.8, if you are dissatisfied with this determination, or the adequacy of the search, you may appeal this FOIA response in writing within 30 calendar days of receipt of a final response letter. The appeal should be made to the Director, Office of Hearings and Appeals, HG-1, Department of Energy, 1000 Independence Avenue, SW, Washington, DC 20585-1615. The written appeal, including the envelope, must clearly indicate that a FOIA Appeal is being made.

Please contact Kim Winn, FOIA Specialist, at 503-230-5273 with any questions about this letter.

Sincerely,

*/s/Christina J. Munro*
