### FOIA #BPA-2013-01154-F

Dear Mr. Oberle:

Thank you for your request for records that you made to the Bonneville Power Administration (BPA) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. Your request was received in this office today, and assigned a control number, BPA-2013-01154-F. Please use this number in any correspondence with the Agency about your request.

#### **You requested:**

Corona & Field Effects Version 3.0 software program.

We have reviewed your letter and have determined that it addresses all of the criteria of a proper request under the FOIA, DOE, and BPA regulation that implements the FOIA at Title 10, Code of Federal Regulations, Part 1004.

#### **Final response:**

BPA is releasing the Corona & Field Effects Version 3.0 software program in its entirety on the enclosed CD.

Pursuant to 10 CFR 1004.8, if you are dissatisfied with this determination, or the adequacy of the search, you may appeal in writing within 30 calendar days of receipt of a final response letter. The appeal should be made to the Director, Office of Hearings and Appeals, HG-I, Department of Energy, 1000 Independence Avenue, SW, Washington, DC 20585-1615. The written appeal, including the envelope, must clearly indicate that a FOIA Appeal is being made.

Your request did not address fees; however, as there are no fees associated with this request it was processed under the FOIA.

Thank you for your interest in the Bonneville Power Administration. I appreciate the opportunity to assist you. Please contact Kim Winn, FOIA Specialist, at 503-230-5273 with any questions about this letter.

Sincerely,

*for/s/Kim Winn*
