Re: Freedom of Information Act Request

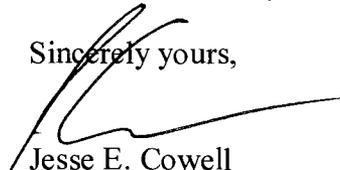

Dear Ms. Munro:

I am submitting this Freedom of Information Act ("FOIA") request on behalf of my firm, Davison Van Cleve P.C. Please provide the dates on which Portland General Electric Company submitted all transmission service requests ("TSR") for long term point-to-point transmission service to the Bonneville Power Administration's ("BPA") Open Access Same-time Information System ("OASIS"), dating from 2007 to the present. For each dated TSR, please indicate:

1. The corresponding OASIS assignment reservation number or "AREF" generated by BPA;
2. The Point of Receipt ("POR") and Analyzed POR;
3. The Point of Delivery ("POD") and Analyzed POD;
4. The megawatt demand of the TSR;
5. The Impact Start Date;
6. The Impact Stop Date; and
7. The BPA Network Flowgate to which the TSR corresponds.

I am willing to pay all reasonable costs, including processing costs, associated with responding to this request in an expeditious manner. Please let me know if the costs will exceed \$500. Please send the documents to the above address. Thank you for your assistance.

Sincerely yours,

Jesse E. Cowell
