Pursuant to Oregon's Public records law, I would like electronic copies of all e-mail to and from Roy Fox between February 2013 to present that mentions the Office of Inspector General, (OIG) the U.S. Office of Personnel Management (OPM) or DOE Human Capital, or any inquiries, reviews and investigations into BPA hiring and promotion practices.

I am happy to discuss ways of limiting this request to lessen the administrative burden of responding. I request waiver of all fees as this information will be used in the publication of stories that have an important public interest to the Northwest.
