RE: Freedom of Information Act Requests

Dear Mr. Sickinger:

Per your request, I have analyzed the six outstanding Freedom of Information Act requests you submitted, and determined they meet the "unusual circumstances" criteria for FOIA requests. 5 USC 552(a)(6)(B)(1). Here, the unusual circumstances are the voluminous amount of data involved in processing and reviewing the requests. Also as required by FOIA, I am informing you that you have the opportunity to modify your request.

I am providing you with the revised release dates (below). I assure you I will make every effort to finalize and release the responsive records to your requests before the stated deadlines.

**You requested the following:**

**BPA-2013-01309-F** – "all e-mail to and from Bill Drummond between November 2012 to present that mentions the Office of Inspector General, (OIG) the U.S. Office of Personnel Management (OPM) or DOE Human Capital, or any inquiries, reviews and investigations into BPA hiring and promotion practices." **December 31, 2013.**

**BPA-2013-01310** – "all e-mail to and from Anita Decker between November 2012 to present that mentions the Office of Inspector General, (OIG) the U.S. Office of Personnel Management (OPM) or DOE Human Capital, or any inquiries, reviews and investigations into BPA hiring and promotion practices." **February 28, 2014.**

**BPA-2013-01311** – "all e-mail to and from Roy Fox between November 2012 to present that mentions the Office of Inspector General, (OIG) the U.S. Office of Personnel Management (OPM) or DOE Human Capital, or any inquiries, reviews and investigations into BPA hiring and promotion practices." **January 31, 2014.**

**BPA-2013-01328** – "copies of e-mail to and from the following individuals: David C. Clarke, Julia J. Wentworth, Charles T. Mantei, Jamey S. Winchester, and Allegra Hodges. Please provide copies of email to and from these individuals between April 2013 and present that mentions the Office of Inspector General, (OIG) the U.S. Office of Personnel Management (OPM) or DOE Human Capital, or any inquiries, reviews and investigations into BPA hiring and promotion practices." **March 31, 2014.**

**BPA-2013-01407** – “all e-mail to and from Steve Wright between September 2012 to final date of employment that mentions the Office of Inspector General, (OIG) the U.S. Office of Personnel Management (OPM) or DOE Human Capital, or any inquiries, reviews and investigations into BPA hiring and promotion practices.” **January 31, 2014.**

**BPA-2014-00119** – “All correspondence between BPA and Avue Technologies re: 9-27-13 report to October 22, 2013.” **January 31, 2014.**

As we have related before, we have brought on two new staff to assist with the large volume of requests and documents. And we are continuing to process requests on a two track system of simple (small volume, no external review required) and complex (voluminous records, and/or external review required (i.e., contracts, other agency documents)) and then on a “first in, first out” basis in each track.

Again, your patience is appreciated.

Please contact me at 503-230-7303 with any questions about this letter.

Sincerely,

*/s/Christina J. Munro*

**FOIA #BPA-2013-01328-F**

Dear Mr. Sickinger:

This letter is in reference to your Freedom of Information Act request dated July 22, 2013. In our letter dated December 9, 2013, we notified you that we would not be able to complete the request within the normal statutory timeframe.

**You have requested:**

“Copies of e-mail to and from the following individuals: David C. Clarke, Julia J. Wentworth, Charles T. Mantei, Jamey S. Winchester, and Allegra Hodges. Please provide copies of email to and from these individuals between April 2013 and present that mentions the Office of Inspector General, (OIG) the U.S. Office of Personnel Management (OPM) or DOE Human Capital, or any inquiries, reviews and investigations into BPA hiring and promotion practices.”

When searching for records requested under the Freedom of Information Act, it is not uncommon to locate a responsive document or portions of responsive documents that originated outside of the agency.

Generally, the agency in possession of such records is responsible for making any FOIA disclosure determination that might be required. However, the agency that originated a record or portions thereof may be better able to determine whether the information is exempt from disclosure. BPA has determined that portions of records responsive to your request originated with the Office of Personnel Management, and that it is necessary to consult with OPM before making a final determination.

The consultations, while necessary, will unavoidably delay your FOIA response. BPA now estimates it will be able to finalize your FOIA request(s) by Monday, July 28, 2014.

We apologize for any inconvenience. If you have any questions about this letter, please contact Kim Winn, FOIA Public Liaison, at (503) 230-5273.

Sincerely,
