Subject: RE: BPA Ethics Hotline information

Thanks Doug.

Please consider this a request under the Freedom of Information Act for copies of the annual management reports from the ethics hotline.

For 2012 and 2013, I would also like copies of the quarterly management reports.

For 2013, I would also like copies of the Global Compliance generated monthly reports, including the management and 90 day call status reports.

I am requesting a waiver of fees to compile this request, as the information will inform stories related to BPA's treatment of whistleblower complaints. The public has a strong interest in this topic, as the agency is currently under review for management retaliation against whistleblowers.

We are willing to pay all fees to copy this material, if applicable, but if the overall fee exceeds \$150 dollars, please contact us.

If I can help alter this request to lessen the administrative burden and expedite this request, please feel free to contact me at the number below.
