RE: Freedom of Information Act Requests

Dear Mr. Tansey:

I have analyzed the outstanding Freedom of Information Act requests you have submitted, and determined they meet the "unusual circumstances" criteria for FOIA requests (5 USC 552(a)(6)(B)(1)).

I am providing you with the revised release dates (below). I assure you I will make every effort to finalize and release the responsive records to your requests before the stated deadlines.

You requested the following:

BPA-2013-01590-F – March 15, 2014

"The complete written report of the investigation made of a BPA Human Capital Management employee that was requested on or about Nov. 30, 2012 by BPA's Human Resources Manager, regarding claims of inappropriate or discriminatory hiring practices and/or discrimination against employees and/or veterans."

BPA-2014-00074-F – January 31, 2014

"1. A complete copy of the "informal comments" referred to on page 23 of DOE/IG-0895 that were supplied by BPA.
2. Any other comments that BPA supplied in response to the findings reported by the IG in DOE/IG-0895."

The statute requires that requests be acted on "promptly," and "every effort" be made to respond within 20 working days. However, BPA has determined that your requests for information are "complex" requests. A complex request is defined in the FOIA as "unusual circumstances" exist. Unusual circumstances are defined as searching inactive records; where a "voluminous" amount of data is involved; where information about other individuals has to be redacted; or where BPA has to consult with another agency which has a substantial interest in the response.

BPA-2013-01590-F meets the unusual circumstances as there are voluminous archived records that will require redactions. BPA-2014-00074-F also meets the unusual circumstances criteria as we are required to consult with the Department of Energy.

I appreciate the opportunity to assist you. Please contact Kim Winn, Government Information Specialist (FOIA/Privacy Act) at 503-230-5273 with any questions about this letter.

Sincerely,

/s/Christina J. Munro
