SUBJECT: FOIA Requests

Dear Ms Munro:

Pursuant to the Freedom of Information Act ("FOIA"), I hereby request the following:

The complete written report of the investigation made of a BPA Human Capital Management employee that was requested on or about Nov. 30, 2012 by BPA's Human Resources Manager, regarding claims of inappropriate or discriminatory hiring practices and/or discrimination against employees and/or veterans.

I make this request in my capacity as a member of the media, to wit, Senior Editor of Energy NewsData.

Disclosure of this information is in the public interest because it is likely to contribute to public understanding of the operations or activities of the government and is not primarily in the commercial interest of myself, Energy NewsData or its publisher.

The subject of this request is the investigative report. Disclosure will enable the public to learn: the degree to which BPA was able to substantiate the claims; the scope of the investigation and what other findings, if any, the investigation yielded.

Therefore I request that any and all fees in connection with this request be waived.

Sincerely,

(signed)
