RE: Freedom of Information Act Request

Dear Ms. Munro:

Pursuant to the Freedom of Information Act, I hereby request copies of the following documents:

- All documents related to any oil circuit breakers testing positive for polychlorinated biphenyls ("PCBs");
- Correspondence, memoranda, or other records of PCB contamination in any oil circuit breakers;
- Records of the decommissioning or disposal of oil circuit breakers; and
- Procedures for decommissioning or disposing of oil circuit breakers.

Please send the requested documents to the address listed above. I am willing to pay fees for this request up to a maximum of \$300. If you estimate that the fees will exceed this number, please contact me for further authorization.

If my request is too broad or does not reasonably describe the records of the Bonneville Power Administration, please contact me via e-mail or by phone so that I may clarify my request and, when appropriate, please advise me as to how the Bonneville Power Administration's records are filed, retrieved, or generated.

Thank you for your assistance in this matter.

Very truly yours,

Travis J. McDermott
