**Subject:** Request for Corona and Field Effects Program

Dear Sir/Madam,

Parsons Brinckerhoff Africa is a South African based consulting engineering company which is a private corporation.

I would like to enquire on the correct procedure to request a copy of your Corona and Field Effects Program Version 3.0. I am seeking this information for use in the company's business. We are willing and agree to pay all applicable fees.

I can resubmit this request making reference to Freedom of Information Act, however the list of selectable states does not include South African provinces.

Please advise on the appropriate process.

Many thanks for your assistance.

Kind regards,

**Frances Bosman**
