FOIA Officers,

Please review the attached request. The requester seeks this information from January 2000 to the present. I have already searched for all of us in FOIAexpress from October 2009 to the present. However, we were all on separate systems before October 2009. Therefore you only have to search from January 2000 to September 30, 2009.

Please note the following:

1. The requester has narrowed his request to only FOIA requests from the 10 entities/individuals he listed. He has now excluded FOIA requests from any of their legal representatives on their behalf.
2. If there will be fees associated with your search, please notify me first of the amount you believe it will cost. I have exhausted his two free hours of search time at HQ so any additional search he can be charged for.

I appreciate your assistance with this matter. If you have any questions, please contact me or Ms. Shonda Humphrey of my staff at 202-586-5955. I would like to have all responses by this Wednesday if possible.

v/r

Chris
