Dear Ms. Winn,

I am working about evaluation of people exposure to electric and magnetic field. For DC electric field calculations I use ANYPOLE version 2 (5-10-85). Recently I became aware that a new version of ANYPOLE is available.

Unfortunately I cannot submit a FOIA request using the online form in BPA website because the website does not provide the access from my Country.

I would like to know if I can have a copy of the last version of ANYPOLE.

Thank you in advance.

Yours sincerely
