--Reasonably Describe Records--

Description:
On 12-2-2013 I sent an Email reporting a problem to DOE IG Hotline about a JOC Briefing and the technology it was seeking money to develop.
Yesterday I got a reply (copied below) stating that the report had been forwarded to DOD IG and Bonneville Power Administration for further investigation.
May I please have a copy of any internal memoranda about this report and the documents transmitted to those agencies with this report?
