Subject: new request

Please consider this a FOIA request for the IG memos and letters referred to in the Steve Wright and Anita Decker e-mails released under FOIA Release - BPA-2013-01407-F . I would also like a copy of the log of complaints to the IG hot line kept internally by BPA. This spreadsheet was redacted in the release. Please provide it between 2010 and the end of 2013.
