Kim,

We'd like to change our request to ask for documents describing the contents of the HydroAMP database and fields. Can you modify our current request to reflect this, or should we cancel the first and make a new request?

Thank you,

Rose

## Reasonably Describe Records

Describe the specific record(s) you seek with sufficient detail that a knowledgeable official of the activity may locate the record with a reasonable amount of effort. Such detail should include: dates, titles, file designations, and offices to be searched.

Since most DOE records are not retained permanently, the more information you provide, the better the opportunity there is to determine if the records involved still exist and where. The FOIA clearly states that records must exist at the time the request is submitted.

## Fees and Fee Waivers

Your request must include a statement that (1) you agree to pay any fees that may be incurred to process the request, (2) stipulates an amount you are willing to pay, or (3) requests specific waiver or reduction of fees.

Please select the statement that applies:

- I agree to pay all applicable fees.
- I agree to pay up to a specified amount for fees.

Enter amount

- I request a waiver or reduction of fees.

If you request a waiver or reduction of fees, we will consider the following six factors to make a determination. Please provide information that addresses these factors:

The subject of the request: Whether the subject of the requested records concerns, "the operations or activities of the government."

This data is used by the government

The informative value of the information to be disclosed: Whether the disclosure is, "likely to contribute," to an understanding of government operations or activities.

Access to this data is likely to contribute to an understanding of government activities since it is used to make decisions

The contribution to an understanding by the general public of the subject likely to result from disclosure, taking into account your ability and intent to disseminate the information to the public in a form that can further understanding of the subject matter.

The information is likely to contribute to public understanding

The significance of the contribution to public understanding: Whether the disclosure is likely to contribute "significantly" to public understanding of government operations or activities.

The data will help in our analysis, which may contribute significantly to public understanding

The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure, and, if so.

no commercial interest

The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is significantly large, in comparison with the public interest in disclosure, that disclosure is, "primarily in the commercial interest of the requester."

primarily in the public interest

If my request for a waiver or reduction in fees is denied, I agree to pay up to (enter amount) \$0.00 to process my request.

## Expedited Processing

I request expedited processing of the request and provide a justification below. I believe a compelling need exists to warrant expedited processing because there is:

- an imminent threat to the life or physical safety of an individual.
- an urgency to inform the public concerning actual or alleged Federal Government activity (this option available ONLY for requesters primarily engaged in disseminating information).

Please provide your specific justification for expedited processing:
