Ms. Dilorio:

This is a final response to your request for Bonneville Power Administration (BPA) records under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. Your request was received in our office on July 16, 2014, with an acknowledgement letter sent to you on July 31, 2014.

You requested:

"This is in regards to pre-engineered steel buildings that were provided for the Charles Luce Regional Maintenance Headquarters project around 6/10/14 through 7/11/14. Skanska USA Building is the general contractor. I am looking for a copy of Skanska's payment bond for this project."

Response:

We conducted a search of the project records of the Contracting Office. We have located two pages of material responsive to your request. We are releasing these records in full.

There no fees associated with this request.

Appeal:

You may still seek administrative appeal pursuant to Department of Energy FOIA regulations at 10 C.F.R. § 1004.8 if you feel the search was not adequate. If you choose to appeal, you must do so in writing within 30 days, and include the following information:

- (1) The nature of your appeal - denial of records, partial denial of records, adequacy of search, or denial of fee waiver;
- (2) Any legal authorities relied upon to support the appeal; and
- (3) A copy of this determination letter.

Clearly mark both your letter and envelope with the words "FOIA Appeal," and direct it to the following address:

Director, Office of Hearings and Appeals
Department of Energy
1000 Independence Avenue SW
Washington DC 20585-1615.

I appreciate the opportunity to assist you. If you have any questions, please contact Kim Winn, FOIA Public Liaison, at 503-230-5273.
