Ms. Backman,

This is to confirm our earlier phone conversations where you narrowed your request to the terms of the RAMS Security contract that address property damages caused by the contractor, RAMS Security.

You agreed that you would accept the original contract cover sheet with the proprietary information withheld as non-responsive, the terms addressing property damage, and the contract cover page for the 2012 modification with the proprietary information withheld as non-responsive.

If you would reply with your agreement to the revision, we should be able to complete your request next week.

Thank you.
