Ms. Zuckerman:

This is a final response to your request for Bonneville Power Administration (BPA) records under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. Your request was received in this office on September 8, 2014, with an acknowledgement letter sent to you on September 15, 2014.

**You requested:**

“CHaMP Survey Geodatabases for the Methow River Basin, WA from 2011-2013 (and 2014 once it becomes available this fall). I am particularly interested in the Digital Elevation Models of the topographic surveys.”

**Response:**

We conducted a search of the electronic records of Fish and Wildlife. We have located 1 page of material responsive to your request. We are releasing these records in full.

There are no fees associated with this request.

**Appeal:**

You may still seek administrative appeal pursuant to Department of Energy FOIA regulations at 10 C.F.R. § 1004.8 if you feel the search was not adequate. If you choose to appeal, you must do so in writing within 30 days, and include the following information:

- (1) The nature of your appeal - denial of records, partial denial of records, adequacy of search, or denial of fee waiver;
- (2) Any legal authorities relied upon to support the appeal; and
- (3) A copy of this determination letter.

Clearly mark both your letter and envelope with the words "FOIA Appeal," and direct it to the following address:
