Ms. Steg-Geltner:

This is a final response to your request for Bonneville Power Administration (BPA) records under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. Your request was received in our office on September 16, 2014 with an acknowledgement letter sent to you on September 22, 2014.

You requested:

“...the locations of the long-term annual Champ monitoring sites in the Upper Columbia Sub basin, and associated identifying information.”

Response:

We conducted a search of the records of BPA Fish & Wildlife Department. We have located one page of material in an Excel spreadsheet format responsive to your request. We are releasing these records in full.

There are no fees associated with this request.

Appeal:

You may still seek administrative appeal pursuant to Department of Energy FOIA regulations at 10 C.F.R. § 1004.8 if you feel the search was not adequate. If you choose to appeal, you must do so in writing within 30 days, and include the following information:

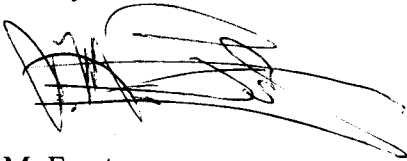

- (1) The nature of your appeal - denial of records, partial denial of records, adequacy of search, or denial of fee waiver;
- (2) Any legal authorities relied upon to support the appeal; and
- (3) A copy of this determination letter.

Clearly mark both your letter and envelope with the words “FOIA Appeal,” and direct it to the following address:

Director, Office of Hearings and Appeals
